Pandemic Influenza H1N1 Vaccine is coming soon!

The California Department of Public Health and California’s local health departments are calling all parties interested in providing this vaccine...

- Clinics, public and private
- Community Health Centers
- Community vaccinators
- Employee health programs
- Health plans
- Hospitals
- Pharmacies, chain and independent
- Physicians
- Other vaccinators

1. Pre-register for vaccine
   Sign up to receive H1N1 vaccine as it becomes available.
   Pre-registration:
   - is not a binding commitment to provide vaccine
   - can only be done by (or in conjunction with) a physician licensed to practice medicine in California
   - lets California Vaccines for Children (VFC) providers use their PIN number for fast-track identification

2. Order vaccine
   Vaccine is in production and currently expected to first be available by mid-October. Vaccine and basic supplies will be delivered at no cost to you. Providers may bill public and private insurers for vaccine administration fees.
   - **HOW**: Pre-register and order early to minimize delays. (*Note: Pre-registration and ordering do not guarantee receipt of vaccine*)
   - **WHEN**: Timing and amount of vaccine deliveries will depend on available inventory. First deliveries are expected by mid-October or later.
   - **WHO**: Initial orders will go to vaccinators serving at-risk population groups. Other requests will be filled in turn, as supply permits.

3. Receive vaccine information and updates
   - vaccine availability
   - storage and handling
   - training on vaccination
   - the pandemic in California

4. Report your H1N1 vaccine usage
   - Instructions are available to complete a simple weekly report on H1N1 vaccine at your medical practice

Additional information will soon be available at www.CalPanFlu.org.
Thank you for your interest in protecting California from pandemic influenza!
